Petition No 1031 of 22-10-92.

Petitioner:— Togari Hankal Mohadin Sab, Coffee Planter, Sampigehatti Kan Sanigebail Tarikere Taluk.

Counter Petitioner:— Mr Henry Courpalais, Coffee-Planter Sampige Kan in the same Taluk.

In 1884, ~~both~~ the Petitioner and the Counterpetitioner applied for ~~two~~ pieces of land out-of S. No 1 in the Sanigebail village Tarikere Taluk, for Coffee Cultivation and pasturage, the land applied for by the former being situated to the east- and north-east of the stream called Konangundi-Halla, and that applied for by the latter being to the west- and ~~South~~ North-west- of the

same. (Please see the Sketch)

These lands (estimated to be 30 and 270 acres in extent) were purchased by the Petitioner and the Counterpetitioner for Rs20 and 25 respectively and the sales were confirmed by the Deputy Commissioner on 6th June 1864.

In 1886 Mr Courpalais complained to the deputy commr that Mohadin Sahebad got a piece of land situated between the Konangundi Halla and the Sampige Kan-Lingadhalli Road, which had been used by Mamool, as a Bandy Stand, resurveyed into this land he had obtained out of S. No 1. He deposed to the same effect before the Amildar of Tarikere to whom the petition was sent for report, and marked the land he reffered to, in the rough sketch. Mohadin Sab deposed that before the sale Mr Courpalais proposed that as both of them had applied for portions of S. No 1, a piece of land to the west of the road should be left for Bandy Stand

and the remaining portion should be got resurveyed; that he (Mohadin Sab) consented to this proposal, that at that time he got the whole area within the boundaries mentioned in his Darkhast, measured and demarcated, that the land marked by Mr. Courpalais on the rough sketch was included within in this resurveyed area, that he was willing to leave the said land for a bandy stand, and that it should be treated as Government Kharab and should not be given to any person.

On receipt of the Amildar's report* the Deputy Commissioner addressed a Yadi (17-6-86) to the Survey Superintendent requesting him to exclude the ground of the bandy stand from the resurveyed area. On 24th September 86, the Survey Superintendent passed an order* to the effect that the state of things that existed before the resurvey should

*dated 26th May 86.

*Note.— This order does not appear to have been carried into effect. A Kharab land was prepared according to the resurvey. The land purchased by Mohadin Sab was divided into two Nos—

the disputed land being included in the latter Nos. (Vide G Comr's order of 16-4-88, & Amildar's report of 19-5-90)

be confirmed, and that the resurvey should be cancelled.

The District Surveyor ~~[illegible]~~ feeling a doubt as to the meaning of the above order of the Survey Superintendent, the Deputy Commissioner ordered that the lands purchased by Mr Courpalais and Mohadin Sahb should be resurveyed, and that in doing so the ground settled to be left for a bandy stand should be ~~X~~ reserved as Government land.

17th March 87.

On 21st December 1887, the Jamabandi officer Mr T. Raghavendra Row inspected the land and took a statement from Mr Courpalais, which was to the effect that his first contention was that the whole of Survey no 32 should be reserved as Government land as it had been hitherto used as a bandy stand, and that what he agreed to before the Amildar and marked out in the rough sketch was that the land to the West and Northwest

of the road should be ~~reserved~~ reserved together with a bell of about 50 yds to the right-hand side of the road, going from Sampige.

The gamabandi Officer fixed the boundaries of the plot of ground to be ~~&~~ reserved as a bandy stand, which are as follows:—

East & North-East:— Road between Lingadahalli and Sampige Kan.

West and North-West:— the stream going under the name Konangundi halla.

South:— the point where the above nallah flowing from South meets the above road.

North:— the point marked × T.R. in the rough sketch.

He ordered that the plot of land included within the above boundaries, and a strip of land, ~~of~~ a few yards in breadth, all along the road to the East and North-East of it should be reserved as Govt land, (~~these sections~~ English Memo dated ~~[illegible]~~ 88)

and that the remaining land might be entered in Mohadin Sab's name. (Plase see his English memo dated 24-1-88).

On 10th December 1888, Mohadin Sab addressed a petition to the Jamabandi Officer stating that he deposed before the Amildar to the effect that the land required for bandy stand would probably be within 2 acres, that the carts coming to his estate as well as to that of Mr Courpalais might stand there and that though this land be included in his "Varga" and also in his estate, he would not object to the carts of Mr Courpalais standing there, — that Mr Courpalais was uselessly contending that the whole of the land to the west of the road - about 20 acres - should be reserved by Govt or given to him, that this land being situated to the east of Konangundihalla belonged to him (Mohadin Sab) according to Darkhast and

that therefore the contention of Mr Courpalais should not be allowed.

14-12-88. Thereupon, Mr Raghavendra Row ordered that a piece of land, not less than 5 acres in extent should be reserved within the boundaries given in his memo of 24-1-88, and that the rest of the land may be included in the, in reserve, in the number sold to Mohadin Sahb.

On 14th May 1890, the Amildar went to the spot, settled the boundaries of the land required for a bandystand in presence of the parties and Panchayetdars, and marked them by means of stones and trees, and submitted with his report a Patti describing these marks and signed by Mr Courpalais and Panchayetdars. His report of 14th May 90 is as follows:—

Mr Mohadin Sab was present. He kept quiet till the boundaries were fixed & but in the end refused to sign the Patti, saying that he did not agree to the settlement of the boundaries.

The plot of ground now fixed within the boundaries mentioned in the Assistant Commissioner's Memo is about 4 or 5 acres in extent. In 1884 Mohadin Sab purchased in auction 30 acres out of the original Survey number 1 for Rs20. This land purchased by him was in the reserve made 2 numbers 31 (31 A. 12 G.) and 32 (75 A. - 32 G.) measuring 107 odd acres in all. Of these no 31 was added to Mohadin Sab's Khale at the time of reserve in 1886. Owing to the above mentioned dispute no 32 has been still in possession of Government.

× × × ×

× Survey no 31 which is more than the area (30 acres) he purchased in auction has already been added to his Khata. He has not cultivated S. no 32. It contains many timber trees.

Since it is true that the grant of the whole no 32 to Mohadin Sab will cause inconvenience to ~~the~~ Mr Courpalais, it is better, in my opinion, to keep the whole ~~no~~ number as Govt land, as it is now, than to include it in Mohadin Sab's Khata

× × × × 22.

× 31-6-90. Ellis Campbell

× The Deputy Commr passed the following order:—

× As already agreed to by Mohadin Sab, and according to orders already passed, the land required for a bandy stand within the boundaries fixed, after personal inspection by the Assistant Commr

Mr Raghavendra Rao,
should be made into a
separate survey number
and reserved ~~by~~ to Govt
as a band stand and for
other public purposes."

The land was accordingly
made S.No 37 measuring 4 acres
16 guntas. On 9-2-91,
Mohadin Sab addressed
a petition to the Deputy Comr
stating that he agreed to
the making of a portion of
S.No 32 into S.No 37 and
praying that the remaining
portion might be given
to his possession. The
Dy Comr on 12-2-92 directed
the Amildar to confirm
S.No 32 (7 A. 9 G.) to Mohadin
Sab.

But in October 1891
Mohadin Sab addressed
a petition to Govt complaining
that the arrangement made
by the Dy Comr for a band
stand in S.No 32 was very
inconvenient to him &—

praying that it might be cancelled. This petition was sent to the Dy Comr for report.

On 11th February 1892 Mr Cowdy de Lalis addressed a petition to the Dy Comr stating that his Assistants mistook certain lines and committed an error, & that he is not bound to acknowledge the Kandyan document signed by them, and praying that the whole Survey number be reserved for public use.

The Dy Comr (in his letter No 66 of 8-5-92) reported that the parties gave different statements which they subsequently changed and it did not seem worthwhile to insist on any of them, that Mohottiar Sub stated that he was willing to part with 4 A. 0 R. 16 P. marked by pencil in the sketch

that Mr Courpalais' contention was that the whole portion comprised within the red pencil lines should be marked off for band stand, & that Mr Courpalais contention was ~~Reject~~ more reasonable.

The Govt in their order No 2610 of 14-5-92 directed the Dy Comr to dispose of the case on its merits

Thereupon the Dy Comr Cancelled the former ~~Subdivision~~ subdivision and directed the District Surveyor to make the portion marked by red pencil into a separate number.

Mohadin Sahe again addressing a petition, the Dy Comr issued to him endorsement No 95 of 17-9-92 to the effect that the portion marked by red pencil in the sketch, Ex G 36

in extent was made S. No. 37 & reserved to Govt that the remaining land 5 A 7 G - 3 5 was confirmed to him, and that he might appeal to Govt if he were not satisfied with that decision.

The present appeal is against the above order.

The Petitioner in his petition No 1736 stated that there was another Government land which might be reserved for a bandy stand.

The deputy Commr in his letter No 5-37 of 13th April 93 states that the piece of land referred to by the Petitioner was inspected by him and is very inconvenient for a bandy stand.

The Dy Commr has, after receipt of the docket No 2610/TF dated 14th May 1892, given a decision to the effect that the portion marked in red pencil in the Sketch, measuring 17 acres and 36 guntas should be reserved for Bandy Stand & made into a separate number.

Petitioner has produced ~~the~~ with his Petition dated 10th Dec 1892, the endt issued to him by the Dy Comr dated 17 Sept 1892, communicating the final order passed by the Dy Comr and stating that if Petr was not satisfied with it he might appeal to Government.

Petitions Nos 1519 and 1736 are virtually appeals from the said order of the Dy Comr. - Petn No 1519 is on proper Stamp & is in time.

Petr prays that the land now reserved by order of the Dy Comr may be restored to his Khâta, and that a separate piece of land belonging to Govt & situated to the North of the Stream may be reserved.

Mysore.

May it please Your kind & Judicious Worship:—

The most humble applicant Togari Hunkal Mohadeen Saheb Coffee-planter of Sunnigahatti Kon Sarikeray Taluq Kadoor District lodging at Mysore respectfully and humbly Solicits thus:—

I The purchased 40 acres of land by Darkhast from the Govt in Gigane Kon of Kasavaina Manay village Taluq Chickmaugalore District Kadoor. The land next to this belonging to Seerkhally Bheem Rao at Shimoga, was purchased by the applicant on the 7th August 77 by a Sale-deed. And he has spent nearly (2000) Rupees for the improvement of these lands. And these two lands were included in the 29th No during Revenue Survey, and the Boundly Months were fixed. Ever since He has been enjoying and paying the Kundayum of the land regularly.

Sur No 29 of Kesavina-Mane

older Maroof Hoosain Shah Khadri got by right to his share
72 acres of land Survey No. 31; which he enjoyed for some
days & wanted to sell it. Then Mr. Courpalais coffee-
planter at Sumpigaon of the same Taluq, intending
to buy this land wrote 2 letters to the owner about its price.
But as the owner Maroof Hussain Shah Khadri Saheb did
not consent to his less price which Mr. Courpalais offered
consequently sold these 72 acres of land to the Birooz
Cloth-merchant Mohadeen Saheb. And this merchant gave
this land to the applicant by a written Will for charitable
acts. Since that time the applicant has spent nearly
(8000) Rupees for the improvements of this land.

40 acres of land Survey No. 29 ½ (mentioned in the I Para) and
Coconut & Jandi also the Govt land No. 32
the 72 acres of land Survey No. 31 ½ (Mentioned in the II Para) were
liked by Mr. Courpalais & wanted to buy them. By
Providence the poor applicant got them. By this reason
Mr. Courpalais began to grudge & trouble anyhow the applicant,
by forwarding unnecessary petitions of dispute to the Government.
Owing to his petitions the Kadoor District Dy. Commissioner
ordered, the applicant not to enter & cultivate the
above said 40 & 72 acres of land & they should be kept
for the Govt., inspite of his longstanding right, labour
and an enormous cost of Rupees ten thousand (10000)
Then though the applicant had applied for the justice
to be administered, yet the District Officer believing the
the

have attached the aboveSaid lands to the Govt. inSpite
all true Records. He has not consented for anything even before Dy.
Commissioner about the disputed lands.
IV In the year 1880 for the settlement of these disputed coffee
plantations according to the Orders of the Dy. Commissioner of
the District - Tarikeray Talug Amildar Mr. Jahar Saheb,
Yedahally Talug Amildar Mr. Ramaswamy - these two
went to the spot & collected the Patails of the surrounding
Villages & appointed assessors & examined the lands
and fixed the boundaries & have made the Records to the effect
These Records together with two Letters of Mr. Courpalais
addressed to Maroof Hussain Shah Khadri Saheb re-
garding the Sale of the land No. 31; are despatched to
the Dy. Commissioner of Kadoor District for administering
Justice: But these true Records were set aside and
an order was passed only on other Records. Consequently
Your humble applicant entreats your kind Worship to
examine the true Records fully done by the two
Amildars & others & protect him by judicious Enquiry.
V Further, On Mr. Courpalais petitions Mr. Raghavendra
during quadabondi
Rao (the then Gen: asst. Commr.), Sent for him to Lingerhally
Bungalow. There in presence of Mr. Courpalais, Mr. Ragha
agent.
vendra Rao asked him to give for Baudy Stand four
acres of his land Survey No. 1 of Tanigay Bile village
& Talug Tarikera; purchased by Darkhast, On condition
that the Govt. would give him in return the

is to the North of his Seinpigay hatti Kon Coffee-plantation.
And again; On Mr. Raghavender Rao telling applicant, that
the Bandy Stand would be of use for both; applicant said
that if he would leave those 4 acres his whole plantation
would be ruined for want of young plants which are grown
only in those 4 acres & if Mr. Courpalais likes to have a
Bandy Stand he is welcome to do so in his own land west of
Boanaalgoondihalla. And Mr. Kristnuppa the then
amildar of the Taluq also had asked the applicant to leave
2 acres at least. Even that He was able to give this land to
which Records bear evidence. This amildar urged him to consent.

VI Lately on the 5th Feb 1892 the Dist. Surveyors came
to the spot & gathered the Pātāls Sheikdars, & Shanbogs
of the surrounding villages & in presence of Incharge Siristadar
of the Taluq, measured 4 1/2 acres of land nearly, in the
applicants abovesaid land No. 1 and fixed the bounderies &
gave it the new Survey No. 37 & executed a Moochalikā to
this effect and got it signed by all Sheikdars, Pātāls
Shanbogs & the men of Mr. Courpalais & also urged him to
sign it. But as the applicant was Reluctant told them
that he would sign it at Tarikera; accordingly for fear
of Government He signed it.

VII Even though this land be only 4 1/2 acres yet he cannot
give it up, because he has no other land to rear young plants
for his whole plantation. And has once suffered by
his Coffee-Store being burnt at the Bandi-men's fire.
And the applicant has plainly told Mr. Srenivas Rao the amildar
of Tarikera ~~& the District Surveyors~~, when they He
Hen

He they measured & fixed the bounderies to these 4 1/2 acres of land; that it can't be given up.

VIII. Lately, owing to the petition of Mr. Bourpalais, the District Surveyors came during the last September and removed the bounderies of his 4 1/2 acres of land and measured 17 acres instead of these 4 1/2 acres; & fixed the bounderies to it during his absence. And as the applicant sustaines still more additional loss; He complained the matter to the Dy. Commissioner of the District. To which an Endorsement No. 95 D/17 dt. 3 Sept. 1892 stating that the order could not be changed & that the applicant may appeal to the higher authority was given to the applicant.

IX. Above all the most humble applicant solicits your kind worship to send a Respectable Native Officer from Mysore to examine all his grievances & inform them to your worship. Then to protect him redressing his grievances by getting him all his lands in the Nos. 14 15 according to his Darakhast & also lands No. 31 st & a part of the 29 th.

For which act of generosity & charity He as in duty bound with profound submission shall ever pray for your worship's long life & prosperity.

He begs to remain
Your worships most humble & obedient

DATE 14-1-93

To

The Dewan to His Hyness the Maharaja of Mysore.

I the under named Togribunkal Krishideen sahib coffee planter of Tairkere Kadur Dist most respectfully beg to bring the following few lines to your Honour's kind consideration.

I presented myself in person and appealed at Mysore on the 25th of october 1892 for which I received an order of 10th November 1892 to produce the order issued by the Dist. officer as to how I appealed. In accordance with the order I have enclosed the receipts which I had and a petition to the effect stated as follows and sent by register on the 10th of December 1892.

1 A copy of the receipt or (Muchalika) signed by the surveyor of the Kadur dist, the "Punchayeth dars" opponents, and the officials on the 5th February 1892.

2 order of the Deputy Commissioner Kadur dist. of No 80 of 25th ultimo.

3 order of the Deputy commissioner Kadur Dist of No 95 Dated 17th september 1892.

4 A map attached to the order above mentioned of 80 of the Deputy Commissioner.

I have forwarded the above mentioned four orders for record perhaps it may have reached your Honour.

I received no order even to the present — as to your Honour having perused the records

P. T. O

the remaining lands in my "khatha" I have no other suitable land for coffee "Pathee" than that which is near the "Hulla" If such a land were to be taken from me, it will be a place of stoppage for carts; and grass will be set fire and injure my Estate. For the same reason my Estate took fire 3 years ago & burnt several coffee plants, my Bunglow, and houses of servants and cost me about 10 or 12 thousand Rupees.

Formerly it was agreed that the land to the west of "Hulla" should be applied by the opponent and that to the east should be applied by me. As the land in question is situated to the East of the Hulla, I have every right to claim the land.

I have produced in person some records of the disputed land after Dasara at Mysore in 1891 with a petition. I have enclosed the receipt issued by the government for the Bandi stand.

It is mentioned in the receipt of surveyor's of Kaishnimanaay gram, that the land is bounded on the west by the Konangundi Hulla as it passing

Mr Coupalicas has complained that my land to the East of the Hulla should be a place of stoppage for carts; this he has been doing erroneously without keeping his own land for the bandi stand.

I therefore humbly beg your Honour to take

preserved the ground
which is passing from the west towards the north as a
place of stoppage for carts.

I beg to remain Honoured sir
yours most obedient & humble servant

The Chief Secretary to the
Dewan of Mysore

Sir,

I have the honor to submit, as called for in your Official Memo. Ref No. 273-92 of 30th Ultimo, the entire records ending with Amildar's report No 1001 of 10th idem, relating to the dispute of Togarihankal Inchadi Sale for the site reserved for a bandy stand in Jannigebail village, a perusal of which with my letter No. 66 of 5th May last will fully explain the nature and merits of the case

in question

As regards the separate piece of land referred to in the latter portion of the Memo. under reply, I inspected this site on the 30th Ultimo when in the locality, and found that the proposed site (S. No. 1) is some distance from the road and nullah and would be very inconvenient for a bandy stand. On the other hand the nullah adjoins the present site (No. 32) and is most convenient. Moreover Mr. Courpalais who originally made the road at his own cost has put up a small dam across the nullah for the convenience of the Cartmen and others to water their cattle at.

the deprivation of the present site from No. 32 with in any way inconvenience the petitioner as it is situated in the bamboo and unfit for coffee.

It is contemplated to turn the present road from Sampegay Khan to Lingadhalli into a District Fund road when the present bandy stand site would be most convenient for travellers.

The enclosures received with the memo. are herewith returned.

I have the honor to be,
Sir,
Your most obdt. servant,

H H Sparks
Deputy Commissioner

Petition 1031
~~Appeal~~ No. ~~1424~~ of 1892-93

Appellant. Vs. Respondent.

Mohaddin Saheb of Turikere Kadur District — Mr Cowpalais

Decision 9 20-11-93

A dispute having arisen between the Appellant and Respondent in regard to a plot of ground in No 32 applied for by and granted to appellant for coffee cultivation, the then Deputy Commissioner, Col. Campbell decided, with the consent of both parties in June 1890, that a piece of ground measuring 4-16 acres should be left as Boundy-stand for common use. It was

accordingly demarcated into No 37 and treated as Dhawab.

2. Subsequently, appellant questioned the above settlement and claimed the whole land, and the Respondent also claimed more land for bandy stand, and the Deputy Commissioner decided in May 1892 that 17 acres 36 guntas should be left as bandy stand. The appeal is against this order.

3. Government do not see why the present Deputy Commissioner interfered at all with the settlement made by his predecessor with the full consent of both the parties. His decision is therefore cancelled, and he will be requested to leave the settlement made
